*(Incorporated in the Cayman Islands with limited liability)*

**(Stock Code: 8218)**

### **PROPOSED SUBDIVISION OF SHARES**

The Board proposes that each of the existing issued and unissued Shares of HK\$0.01 each in the share capital of the Company be subdivided into four Subdivided Shares of HK\$0.0025 each. The Share Subdivision will become effective from the Business Day immediately following fulfillment of the conditions set out under the section headed “Conditions of the Share Subdivision” below.

All Subdivided Shares will rank *pari passu* with each other in all respects and the Share Subdivision will not be expected to result in any change in the rights of the Shareholders.

Upon the Share Subdivision becoming effective, the board lot size for trading on the Stock Exchange will remain unchanged with 4,000 Subdivided Shares for each board lot.

The EGM will be convened and held to consider and, if thought fit, approve the Share Subdivision. A circular containing, amongst other things, further details of the Share Subdivision, together with a notice convening the EGM, is expected to be despatched to the Shareholders on or before Friday, 26 June 2015.

### **PROPOSED SHARE SUBDIVISION**

The Board proposes that each of the existing issued and unissued Shares of HK\$0.01 each in the share capital of the Company be subdivided into four Subdivided Shares of HK\$0.0025 each.

#### **Effect of the Share Subdivision**

Upon the Share Subdivision becoming effective, the Subdivided Shares will rank *pari passu* with each other in all respects and the Share Subdivision will not result in any change in the rights of the Shareholders.

As at the date of this announcement, the authorized share capital of the Company is HK\$10,000,000 divided into 1,000,000,000 Shares of HK\$0.01 each, of which 200,000,000 Shares have been issued and are fully paid or credited as fully paid. Upon the Share Subdivision becoming effective, the authorized share capital of the Company will become

HK\$10,000,000 divided into 4,000,000,000 Subdivided Shares of HK\$0.0025 each, of which 800,000,000 Subdivided Shares will be in issue and fully paid or credited as fully paid, assuming that no further Shares are allotted, issued or repurchased prior to the Share Subdivision becoming effective.

### **Conditions of the Share Subdivision**

The Share Subdivision is conditional upon the following:

- (i) the passing of an ordinary resolution by the Shareholders at the EGM to approve the Share Subdivision; and
- (ii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the Subdivided Shares and any new Subdivided Shares which may fall to be issued pursuant to the exercise of the Options granted under the Pre-IPO Share Option Scheme or to be granted under the Share Option Scheme.

An application will be made by the Company to the Listing Committee of the Stock Exchange for the listing of and permission to deal in the Subdivided Shares arising from the Share Subdivision and any new Subdivided Shares which may fall to be issued pursuant to the exercise of the Options granted under the Pre-IPO Share Option Scheme or to be granted under the Share Option Scheme.

### **Odd lot arrangement**

As it is expected that no odd lot of the Shares will be created as a result of the Share Subdivision, no odd lot arrangement to match the sales and purchase of odd lots will be made.

### **Adjustments in relation to other securities of the Company**

As at the date of this announcement, there are outstanding Options entitling the holders thereof to subscribe for up to an aggregate of 20,000,000 Shares. The Share Subdivision will cause adjustments to the exercise price and/or the number of the Subdivided Shares to be issued upon the exercise of the outstanding Options granted under the Pre-IPO Share Option Scheme of the Company. Further announcement will be made by the Company in respect of such adjustments as and when appropriate.

Save as disclosed above, as at the date of this announcement, the Company has no other outstanding options, warrants or other securities in issue which are convertible into or giving rights to subscribe for, convert or exchange into, any Shares or Subdivided Shares, as the case may be.

### **Exchange of share certificates**

Subject to the Share Subdivision becoming effective, the Shareholders can submit their existing share certificates for the Shares to the Company's Hong Kong Branch share registrar, Tricor Investor Services Limited at Level 22, Hopewell Centre, 183 Queen's Road East, Hong Kong, in exchange for the new share certificates for the Subdivided Shares free of charge between 9:00 a.m. and 4:30 p.m. on any Business Day from Wednesday, 15 July 2015 to Thursday, 20 August 2015 (both days inclusive). After the expiry of such period, existing share certificates for the Shares will be accepted for exchange only upon payment of a fee of HK\$2.50 (or such higher amount as may from time to time be specified by the Stock

Exchange) for each existing share certificate cancelled or each new share certificate issued (whichever number of share certificates involved is higher). The new share certificate will be in blue color so as to be distinguished from the existing share certificate which is in red color.

The existing share certificates for the Shares will only be valid for delivery, trading and settlement purposes for the period up to 4:00 p.m. on Tuesday, 18 August 2015 and thereafter will not be accepted for delivery, trading and settlement purposes. However, the existing share certificates for the Shares will continue to be good evidence of legal title and may be exchanged for share certificates for Subdivided Shares.

## **REASONS FOR THE SHARE SUBDIVISION**

Upon the proposed Share Subdivision becoming effective, the par value of each Share will decrease and the total number of shares of the Company in issue will increase. The Share Subdivision may result in a downward adjustment to the trading price of the Shares. Based on the closing price of HK\$5.94 per Share as quoted on the Stock Exchange as at the date of this announcement, the market value per board lot of 4,000 Shares is HK\$23,760. The estimated market value per board lot of 4,000 Subdivided Shares will theoretically be reduced to HK\$5,940 immediately upon the Share Subdivision becoming effective. The Board believes that the Share Subdivision will reduce the trading spread as well as the volatility of the trading price of the Shares and thus improving liquidity in the Company's Subdivided Shares. Accordingly, the Board is of view that the Share Subdivision will enable the Company to attract more investors and broaden its shareholders' base.

Save for the expenses to be incurred by the Company in relation to the Share Subdivision, the implementation of the Share Subdivision will not alter the underlying assets, business operations, management or the financial position of the Company or the proportionate interest of the Shareholders. The Board considers that the Share Subdivision is in the interests of the Company and the Shareholders as a whole.
