The board (the “**Board**”) of directors (“**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors of the Company that, based on the information currently available to the Board and the preliminary review and assessment on the latest unaudited consolidated management accounts of the Group for the year ended 31 March 2020 (the “**Management Account**”), it is expected that the Group may record a consolidated loss of not less than HK\$20 million for the year ended 31 March 2020 (“**FY2020**”) as compared with a profit for the year ended 31 March 2019. To the best knowledge of the Directors, the loss for FY2020 was mainly attributable to, among other things, (i) change in fair value of the derivative financial asset component of the convertible bonds, (ii) share of loss of an associate of the Group; and (iii) adverse effect on the business of export sale of electronic products since the outbreak of COVID-19 pandemic in around January 2020.

The Company is still in the process of finalising its consolidated annual results of the Group for FY2020. The information contained in this announcement is only a preliminary assessment by the Board based on the Management Account and the information currently available to the Board, which are yet to be audited by the Company’s auditors, and are subject to finalization and any further possible adjustments. Actual financial results of the Group may be different from the information as disclosed in this announcement.

Shareholders and potential investors are advised to read carefully the results announcement of the Company for FY2020, which is expected to be released after the Board meeting to be held on 29 June 2020.
